### Donnell Herd Classified Friday

Reeves Donnell & Son Has Made Splendid Record in Milking Shorthorn Class

Friday afternoon Robert Hunter, fieldman for the Milking Shorthorn Breeders Association, classified the herd of Milking Shorthorns on the Don Acres Farms, owned and operated by Reeves Donnell & Son.

Mr. Hunter ranked this herd among the highest average of the herds he had classified all over the United States.

To be classified, a cow or heifer must have calved at least one time but can be dry if she has calved before the date of classification. General appearance is ranked 30 points, body capacity 20 points, mammary system 30 points, dual purpose characteristics 20 points.

Good Plus rating scores 80-85, Very Good 85-90, and Excellent 90-100.

Under this classification set up Mr. Donnell had 2 dry cows that classified Very Good, with a good chance to rate Excellent if checked again after calving with better condition of flesh and in full protection. One cow in production classified Excellent, 2 cows, Good Plus and 4 coming 2 year old heifers also in milk Good Plus. The past herd bull was classed Very Good.

Mr. Donnell is now devoting all his time to his herd and to his Donnell's Country Shop. He hopes to have more of his cows rate Excellent in the near future. For the last ten years he has followed a definite program in line-breeding these dual-purpose cattle which are becoming more and more popular with the stock-farmers all over the world.

"Cattle from my herd have shown well in local shows and I felt that I had a good herd but to be rated so well and to get such fine commendations from a national fieldman certainly indicates future satisfactory returns for my efforts," said Mr. Donnell.

### Randall Led State in War Chest With 208.5 Per Cent

Randall county led the entire state of Texas on the United War Chest drive for the past two years. This statement was recently made from Austin, and final figures for the two drives were published Tuesday.

Randall county is credited with 208.5% of the amount of funds raised in the two drives.

The result of these drives is due to the careful planning and diligent committee work which was done throughout the two campaigns.

Milton Morris directed the drives as County Chairman. The Farm Victory Council, under the direction of County Agent W. H. Upchurch assumed 50% of the quota for each year. Both the town and country far exceeded the quota on both drives.

The city of Dallas led the state among the big towns.

### 1945 Auto Tags May Be Placed on Cars March 1

Automobile license tags for 1945 are on sale at the office of Tax Collector M. E. Cantrell.

The new tags may be placed on cars on March 1st. All cars must be equipped with the new tags by April 1st.

The sale of tags will materially increase next week when car owners are permitted to place the tags on their vehicles.

### George Cuning Now a Corporal

Cpl. George T. Cuning is back in the Pacific with the Marine Corps. He had spent 19 months in the Pacific when he visited his mother, Mrs. O. T. Cuning in May. His reassignment carried him back to the Pacific in June. He has been in the service 3 years February 5 and has been a Corporal since December 20.

## Men Called to Enter the Army

Also Group Will Go For Physical Exams—26 Men To Go in Both Groups

The Randall County Selective Service Board has received a call for men for induction, and likewise a call for men to take their physical examinations. There are thirteen men on each call.

Men on the call for induction will leave Feb. 28. Those in line for induction are: Woodrow Walton Wilson, Fred Wolfington, Walter Melton Simon, Alan Krause Albers, Harold Blake Zachry, Edgar Lee Armstrong, Carl Benard Hartman, Paul Leroy Pitt, Richard Dean Mann. Already inducted, but counting on the call are: William Roscoe Ritch and Donald Orin Watkins. Two students who were postponed until the end of the semester are: Irving Fredrick SoRelle and Jasper Wilburn Oglesby.

Those who will go for their physical examinations, leaving March 1 are:

LeMoyné Elbert Minor, Daniel Chesley Hughes, Clarence James Leavitt, Kermit Luccan Pond, Albert Richard Hurlock, Chester Diton Nix, Roy Harold Wall, Charles Edward Conley, Thomas E. Knighton, Leldon Oscar Barnett, Benjamin Benard Noyes, Louise Milton Brazil. Three men who were transferred here for physical examinations are: Walter Crain Patridge, from Montague county, Edgar Evert Underdown from California, John H. Burleson from Corsicana.

The Local Board has been instructed to return to state headquarters the files of all men under 26 years of age who had not been placed in 1-A. An inspector to the local board last week advised that all men would be placed in 1-A, including farmers in the county in that age limit. General Hershey was quoted Tuesday as having said that agricultural deferments would not be approved owing to the need of all men under 26. Furthermore, he advised that there would be a large increase in the number of men over 30 years of age who would be inducted during this year.

### Mrs. Brabham Is Recovering From Effects of Wreck

Mrs. Veramae Carter Brabham who was injured in a car wreck January 26 at San Diego is improving from a broken pelvis bone and fractured collar bone. She will remain in the Naval Hospital for several more weeks before she will be able to be moved.

Her husband, Petty Officer Dudley Brabham, was killed in the accident. He was buried in Canyon Dreamland Cemetery, February 5.

Mrs. Brabham was the former Veramae Carter of Canyon. Mrs. Carl Schroeder, a sister of Mrs. Brabham, moved from Canyon to Hereford recently.

### Pfc. Shelnutt Is Home England

Pfc. James R. Shelnutt arrived in Canyon Tuesday to visit until Mar. 1 with his parents, Mr. and Mrs. C. P. Shelnutt. Pfc. Shelnutt has been in England for 11 months with the Military Police Guard.

### McCLURE TO MEET LEADERS

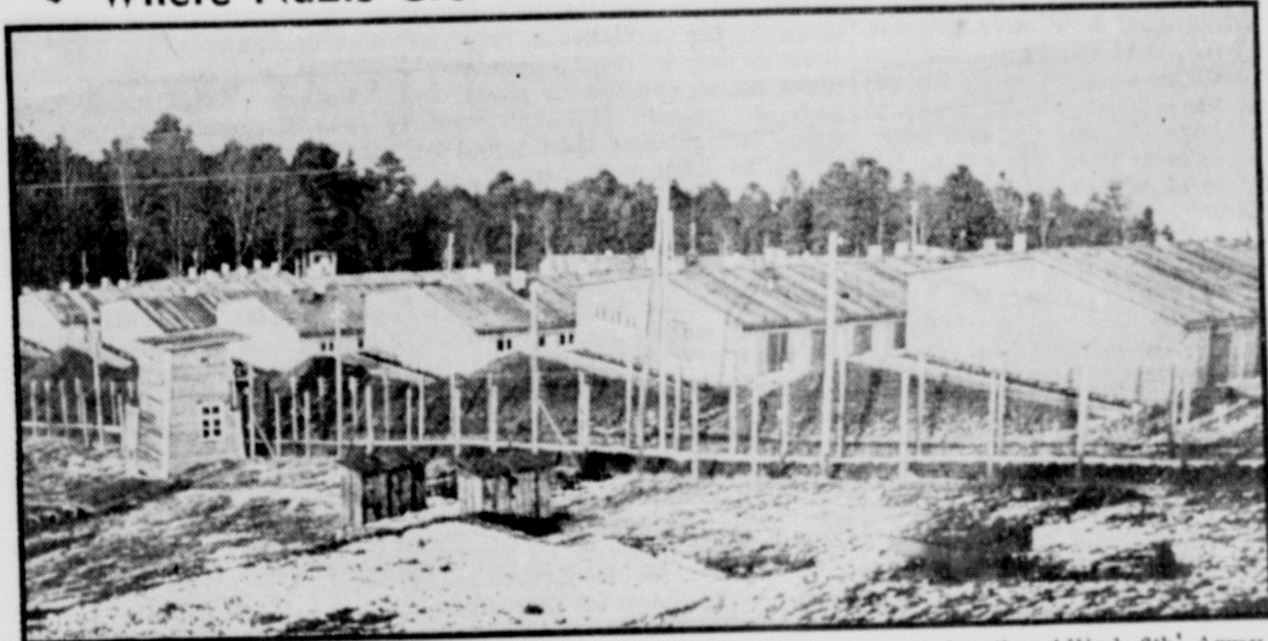

Friday afternoon at 2:00 at the Methodist Church, Miss Ida Mae McClure, district supervisor of Girl Scouts of America, will meet with all the leaders of the Canyon Girl Scouts and Brownies.

### 'We've Decided to Operate'

## Snow and Rain Fell Wednesday

Where Nazis Cremated Worked-Out Slave Labor

A German slave labor camp deep in the Vosges Mountains, captured by the Allied 6th Army Group. It is surrounded by high-voltage fencing, and savage dogs helped to guard the prisoners, who worked in shops. When they could toil no longer, the SS cremated them in crematoriums built on the premises for that purpose. The commandant had a residence with swimming pool.

## Palo Duro Park Debt Is Up Again

Threat to Foreclose on Debt Unless Legislature Makes Appropriation for Mortgage

The Palo Duro State Park is again in the spotlight.

The note against the 15-500 acre park becomes due next year, according to a statement from Austin. The holders of the notes are threatening to foreclose the mortgage, if the legislature does not dig up the money to pay off the debt, according to press reports.

When the park was taken over by the Texas State Parks Board, there was a mortgage of approximately \$25 per acre against the land, which the State Parks Board assumed. Gate receipts were to be used to pay off this mortgage. As a matter of fact, these receipts have only paid part of the interest which accumulated year after year.

Senator Grady Hazlewood is reported to have offered to sponsor an appropriation bill to pay off a reasonable amount against the land. The debt of \$25 per acre is more than the land is worth.

The federal government spent a million or more dollars in developing the park during the depression. At one time there were four CCC companies on the property. It was the largest CCC camp in the nation. When the National Parks Service found out that the debt against the land was in existence, work was closed down, and the federal government has spent no more money on the enterprise.

Various suggestions have been made throughout the years in order to clear the debt and keep the Palo Duro State Park open to the public. None of the suggestions seem feasible owing to the large debt, and the general feeling that the land is not worth the debt.

A show-down will be likely next year. It is suggested that the land be condemned by the state in order to secure the park for the people at its real value.

### Sewing Clinic To Be Held In Homemaking Dept.

The public is cordially invited and urged to attend a sewing machine clinic in the clothing laboratory of the homemaking department at the Canyon High School Friday, Feb. 23, 3:30 o'clock.

Miss Elizabeth Cox, head of the clothing department of West Texas State College will be in charge with Miss Ruth Ford and Mrs. Marie Fowler, local homemaking teachers assisting.

Do you know your sewing machine? This will be the chief topic of discussion leading to questions about your own machine. There may be slight adjustment that need attending to that will result in better sewing and better finished garments. Then there may be things your machine will do that you have not discovered that will save you endless time besides giving you greater pleasure in your sewing.

Other problems will be discussed, so please plan to attend and bring the question that concerns you most in sewing for the family. During these war times when so much is required of your sewing machine and your accuracy in the operation of its many parts, we should strive to do everything possible to get the most from the time and money spent.

Don't forget the day, February 23, and the time 3:30 to 5:00 o'clock, and the place, Homemaking Dept., Canyon High School.

Mrs. L. D. Lockett spent Friday in the home of her son Mr. and Mrs. Clay Lockett in Happy.

## Spencer Whippo Is Making Study Wheat Poisoning

Spencer Whippo of Perryton was in Canyon Tuesday on business. Mr. Whippo is an ex-student of West Texas State and returned last year to teach in the Agriculture Department of the College.

He is now engaged in research of the problem of poisoning of cattle which graze on wheat pasture. His territory is over the Southwest.

Mr. Whippo states that large numbers of cattle are lost every year in the Panhandle. Farmers have not reported their heavy losses in the past, but with cattle becoming so high in price the loss is running into millions of dollars for the Southwest.

Moreman's Minerals is sponsoring this research in which Mr. Whippo is engaged. All of the railroads are greatly interested in the project because of losses in shipping. Cattle being shipped to market may be received in apparently sound condition, but die in transit. The loss is then on the railroad.

Mr. Whippo is receiving the cooperation of all stockmen in the Southwest, and hopes that his research will find a solution to this great loss to the stockmen.

Mr. Whippo reads The Canyon News regularly and says that he greatly enjoys the editorial page, which he calls "different" from that of most newspapers.

### O. R. Glenn Is Home After Two Years in Pacific

O. R. Glenn S-C 2-c is spending part of a 30-day leave with his parents, Mr. and Mrs. A. R. Glenn.

O. R. Glenn has been in the South Pacific for 26 months. He is a ship's cook on a sub chaser. He entered the service from Dimmitt.

Mrs. Glenn is a welder in a war plant on the Pacific Coast while her husband is serving with the Armed Forces.

Two other Glenn boys, G. R. and Jack are in the Pacific, but the three have not had the good luck to meet.

### Hunters Violate Laws in Killing Geese at Lake

Some one has been shooting geese illegally at Buffalo Lake. Rangers and Game Warden are on the track of the guilty person or persons, and arrest is threatened.

Dead and wounded geese found on the lake led to the uncovering of the fact that hunters had trespassed on the government property.

## Road Plans Will Go to Austin

Four Commissioners and County Engineer to Meet Highway Members Monday

All four County Commissioners and County Engineer Harvey Smyth will leave Saturday for Austin where they will meet with the State Highway Department. A hearing is set on the proposed farm-to-market roads which have been surveyed for Randall county. Mr. Smyth has the plans for two east and west roads which will intersect Highway 87 at points both north and south of Canyon.

County Judge A. H. Hunt is not able to make the trip to Austin with G. B. Heath, Clarence Beckman, D. S. Hill and Calvin Casey.

The court has checked the surveys as made by Mr. Smyth and believes that the plans will be acceptable to the state department. Randall county has not asked for an excess of road construction as a post-war project, and for that reason the commissioners hope that the request will be granted in full.

While in Austin, the commissioners will interview Senator Grady Hazlewood and Representative G. H. Little to protest the bill which is pending before the Senate highway committee which seeks to take a portion of the car license fees from the county and give it to the towns and cities. If this bill should be passed, the farm-to-market road building program would be greatly handicapped unless the counties increased the local taxes very materially in order to carry on this program.

### Sand and Gravel Hauled to Start Work Court House

Materials are being hauled to the court house in order to start construction work as soon as the weather is favorable.

Sand and gravel were piled on the north and south sides of the court house Tuesday. Reinforcement irons have also been received. This material will be used in reinforcing the corners of the building. Architect Harold Walsh recommended that this work be done owing to the heavier weight of the roof which will be placed on the building.

It is likely that work will start on removing the cupola of the building as soon as the weather permits. George Small has been employed by the Commissioners Court to supervise the construction.

Miss Geraldine Hart spent the week end in Dalhart.

## High Mercury Sags With Snow

First Moisture for the Month Brings Snow and Some Rain Here Yesterday

Snow and rain fell over the entire Panhandle yesterday.

The sky was overcast Tuesday, with light mist falling throughout the day. A light shower fell in the evening, which brought moisture amounting to 12 of an inch.

The rain turned to snow Wednesday morning, which continued to fall throughout the day. The temperature was slated to drop to 20 degrees above zero Wednesday night.

The previous low of the week was 21 degrees Sunday morning.

The cold wave of this week is more reasonable than the high temperature which has been enjoyed throughout January and February. A record breaking 80 degrees was registered last week, which is the highest point ever reached in the Panhandle during February.

The fine open weather has been ideal for stock. A year ago farmers were forced to spend most of their time trying to get cake for their cattle. This year there has been sufficient feed of all kinds.

The warm weather has been good on the wheat, according to statements of farmers. The outlook for a good wheat crop could hardly be improved.

Citizens with fruit trees have been greatly alarmed over the high temperature. They are fearful that the trees have budded to such an extent that the fruit crop this spring will be lost.

### W. T. High Roll of Honor for the First Semester

The following is the honor roll for the first semester for the W. T. high school:

Arless Oglesby, Marcella Luke, E. W. Womble, Bill Clark, Billie Joe Hood, Dorothy McAfee, A. B. Smith, Peggy Jackson, Jean Smith, Bill Miller, Bernie Heare, Betty Jackson, Bill McCabe.

Shirley Goodman, Wanda Bartlett, Carrie Belle Smith, Margaret Hand, Jackie Cooper, Joan Byars, Carrie Marie Dowdy, Fidel Ortega, Betty Brown, Doris Hooper, Glenn Dowlen, Mabel Spiser, Wilma Jean Miller, Barbara White.

### Girl Scouts Will Meet Friday on Fellowship Week

Friday afternoon at 4:43 o'clock all seven troops of Girl Scouts of Canyon will meet in the Methodist Church for a program to observe World Fellowship Week of the Scouts.

To open the ceremonies the intermediate Troop from the Canyon public school will give the flag ceremony. To close the program the Intermediate Troop from the Demonstration school will give an international flag ceremony.

The public is given a cordial invitation to attend this program.

A free will offering will be made for the Juliet Lowe Fund to promote the World Friendship program of the scouts.

## Future Program Outline

Dr. J. A. Hill has a program for Canyon. Speaking at the Rotary Club Tuesday, President Hill outlined objectives which would improve the entire community. He asked that Rotarians take the lead in putting over this program.

1. Better moral and spiritual atmosphere for Canyon. While Canyon is recognized as a good town, conditions should and must be improved. The average of the community is not so high as it should be.

2. More tolerance and co-operation on the part of citizens. There exists too much prejudice against our neighbors, and not enough fellowship.

3. A community improvement program, both of private and public property. Canyon needs better

business houses and more and better homes.

4. A feeling of responsibility as to the use of our money. People are making more today than ever before. But most of this excess money is being spent for selfish entertainment. Each citizen should realize that he is custodian of the money he has and that it should be placed for service of human needs.

5. A youth program, with public parks. Canyon is one of the very few towns in this section without any sort of play ground, or public park. Boy Scouts and Girl Scouts Troops are being undertaken by a few citizens. These movements need the active support of all citizens of the community.

6. As a post-war project, Canyon must have adequate hotels and tourist camps. These facilities are entirely adequate and are a poor recommendation to our town.

7. A publicity and promotion campaign to represent Canyon as a good place in which to live and make a home. In spite of the above needs, Canyon is still above the average of communities, and this fact should be thoroughly advertised to the world. Canyon's churches, schools, paved streets, water supply, scenic advantages cannot be surpassed.

8. Need of a few small industries will bring more capital and more people to the community.

Dr. Hill believes that the above program is sound and can be put into effect if each and every citizen will get behind the program.

# Editorials

President Roosevelt will be asked to address Congress regarding the meeting of the Big Three. Since the suggestion was made by Vice President Truman, it is evident that the President is angling for an invitation to talk to Congress. It is furthermore likely that when this occasion arises the speech will be broadcast to the world. Naturally the President cannot tell the whole story of the meeting, as many problems are still in the secretive stage. But he can lay before Congress an outline of the conference, and give the nation a broad hint of the ultimate goal of the United Nations. The President has already discussed future plans with leaders of both parties in Congress with the view of selling them his plan for future peace. An open discussion at this time is greatly needed. The average American does not know, or perhaps care, what the foreign policy of the nation really is. Wilson made the fatal mistake of not seeking to sell the League of Nations to Congress before he laid the outline on the peace table in Paris. Roosevelt is not planning to make this same mistake, as he realizes that he is faced by a critical Congress, which can either accept or reject his proposals. Stalin does not have to tell Russia what he has in mind, since Stalin's mind is the will of Russia. But Churchill is forced to go into parliament and defend his official acts. He mixes in debate with the members. In this manner the members are fully acquainted with conditions. The President will do well to follow this example. While he will not be called upon to debate the question, yet a full and complete outline of future plans will be of great benefit to the nation at this time. There is no person in America today who does not wish to see a permanent peace written and enforced. They may differ with the President as to the necessary steps which should be taken to secure this peace, but the opinions of all honest Americans should be taken into consideration as the time for writing the peace draws near.

The George bill has been passed by Congress and is on the President's desk. In order to secure the approval of Henry Wallace as Secretary of Commerce, the President has agreed to sign the bill, which will remove from this department the vast financial structure which was possessed by Jesse Jones. The bill should have been passed, if for no other reason than that it removes such independent powers from the hands of one man. Jones testified before the Senate Committee that he was authorized under the broad terms of RFC to loan any amount of money to any person, for any length of time he deemed best, at any agreed rate of interest. That is not good business. No man in the entire world had such vast powers entrusted to him in financial matters. While the manager of RFC must of necessity have a more or less free hand in time of war, Congress made a mistake in turning the entire resources of the nation over to Jesse Jones. Jones is a tight-fisted banker, who made a great success of his lending; but to continue such a practice under Jones, Wallace, or any other man would have been a mistake.

Congress will attempt to increase the salaries of the members. Such an attempt was made during the depression, but was defeated by ridicule of "bundles for Congress." No fair minded man will say that members of Congress should not have an increase in salary. Others will say, "let 'em quit, if they do not like their jobs. There are plenty others who will take over." But the facts are that \$10,000 per year in Washington is mighty small pay for qualified men and women. If the members of Congress are not qualified, then the blame is on the shoulders of the voters who elected them. After all the standards of members of Congress cannot rise above the standards of the voters. Perhaps a lot of improvements could be made in order to speed up work in Congress. However, let it be remembered that the most deliberate law making body in the land will do its best work only when time is taken to consider all phases of every measure which confronts it. Congress should have this increase in pay under present conditions, and possibly throughout the future.

We have just read an interesting letter from an army officer who is in France. His thoughts are centered upon the days when he will hang up his uniform and resume life as a civilian. He is hoping and planning now for that day. He is looking forward to the location which he hopes to find in the Panhandle. That is a splendid omen. This man is not going to wait for months to hunt a job when he again becomes a civilian. He is not going to waste his time and his savings having a good time after the war. The realities of war have borne into his soul so that he wants to get back to a hard job in order to forget the horror of war. The News believes that this will be the attitude of a vast majority of our splendid civilian army which is whipping the army on all fronts. Unfortunately there will be some who want to do a lot of playing around after the war, and will let golden opportunities slip away when they return home. The News always appreciates reading letters from men who are overseas, and especially from those men who are looking to the day when they can again assume their normal life as American citizens.

The Palo Duro Post of the American Legion is making rapid progress in getting the Legion Hall in shape for veterans of World War II when they return home. The old vets wish to turn the affairs of the Legion over to the new group. Canyon is fortunate in having a splendid Hall ready for these returning men. This leads up to this thought: Returning veterans should be slow in joining new organizations which are springing up. Usually these are promoted by men who are seeking to be officers, or who have ambitions of vast political powers after the war. Frankly, veterans of World War II will be able to take over the politics of America after the war, if they want to. This is just what happened 25 years ago, and will happen again. No one will object, when capable veterans are placed in public office. But what we started to say is that practically every county in Northwest Texas is now trying to raise funds to build an adequate home for the returning boys after the war. In Canyon the situation is reversed. The hall is ready now, practically remodeled and refurnished, awaiting the return of the veterans. An urgent invitation is being extended to all veterans of World War II to join the Legion and take charge of the hall which awaits their use and pleasure.

Joe Stalin is a shrewd trader. He refused to leave Russia to meet Roosevelt and Churchill. They went to Russia. Russia has the greatest army in this war, and has gained the victories over the Germans. Therefore, Stalin won his point as to the question of Poland, and defeated Germany will be governed by combined forces of the United Nations operating out of Moscow. Stalin saw to it that future operations in Europe are going to be centered so that he can keep his eye on all movements. In other years, England has had the greatest navy in the world. Today that honor goes to the United States, which also has the world's greatest air fleet. Russia leads with its monstrous army. So long as the United States can get along with Russia and we continue courting the friendship of Stalin, chances are good for continuing peace. The British will gladly throw in with such a combination.

John Lewis was not accepted back into AFPL, but the door was left ajar. The contract with the miners will expire on March 31. Lewis will not hesitate to call another strike if he does not get his demands. He will not hesitate to tie up every war plant in the nation for lack of fuel. In the end, he knows that the administration will be forced to accept his demands. While other industries may be closed by "unauthorized" strikes, Lewis knows that he can paralyze the entire nation if he does not get his way. The President will again take over the mines and let Harold Ickes run them—under the good graces of Lewis—and the miners will get all that Lewis is demanding. And Lewis will not be thrown out of his office.

## Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Many people throughout the world have thought that the "unconditional surrender" terms of the Atlantic Charter were so severe that Germany would keep on fighting to the last man. This is what Hitler is demanding. However, since Stalin has joined in these terms, we wonder if there is not method behind this declaration. The Nazi madmen are so fanatically sold on Hitler that they will continue the fight so long as Hitler urges them on. But the terrible pounding which Germany is receiving certainly must be awakening the idea of peace among the anti-Nazis of Germany. These number millions of people, among the older groups. So long as the United Nations hold to the original demand, the anti-Nazis may be strengthened to revolt, help overthrow Hitler, and sue for peace. In such an instance Germany would secure better terms than would be offered to Hitler, as a prisoner.

The Gallup Poll reveals that 64% of Americans feel that they have made no sacrifice during the war. The only families which have made real sacrifices are those who have lost their sons on the battle field. True enough, all loyal Americans have had to work a little harder—but we have been paid for the extra work; we have had to go without some trivial luxuries—but these do not count; we have been denied some things to eat—but no one has gone hungry; we have not been privileged the fun of galavanting around on senseless trips—but staying at home a little is a good thing for all. Getting down to brass tacks, no one has suffered or sacrificed unless he has lost a son in the war.

Politics for 1946 is beginning to bob up in Texas. Senator Connally will be up for re-election. Coke Stevenson will have served out 2½ terms as Governor. Friends of Stevenson are urging him to get into the race against Connally. Ardent New Dealers are going to attempt to put a candidate into the race against Connally. Although the Senior Senator has refused to be a New Deal rubber stamp, he has been for the President more than he has been against him. As chairman of the powerful Foreign Relations committee he will have more to do in writing the peace resolution which will be passed after the fall of Hitler than any other man in Washington. America needs such a man as Connally, and he should be kept at his post as long as he is willing to serve.

The needless destruction of Manila by the retreating Japs, and the brutal treatment of American prisoners is just another reason why Japan as a nation should be destroyed. The Jap must know by this time that he is on the road to defeat. If the bombing of Tokyo and other great Japanese cities is half as effective as we are led to believe, there will certainly be a revolt in Japan one of these days. Japan has been flooding the world with cheap goods, imitations of American made goods. The manufacturers of Japan have never been for war. The military forces have controlled the unfortunate nation for years, and have been preparing for this war. The Jap never creates but imitates. Such a nation can be spared from the world.

Unless you really want to sell your home, better not put a price on it. Real estate is moving in Canyon at a rapid pace. New people are seeking to move to Canyon, and those who have been renting homes are being forced to buy, whether they will it or not. During the depression values in Canyon sunk to the sub basement level. When the war started, values mounted. Some folks believe that the ceiling has been hit by present day prices, but those who must have homes in which to live, are looking at the period of inflation which they know will come. If radical inflation really does come, then present prices will be looked upon as cheap. Now you guess as to what will happen.

Panhandle Publishers: As we predicted three weeks ago, there will be no April meeting of the Panhandle Press Association. ODT says that the convention must be postponed until after the war. This comes as no surprise to this publisher. At any rate, statements of dues for 1945 are being mailed to all members, and it is hoped that the convention may be held later in the year.

Heard in a doctor's office: If Congress keeps on taking doctors and nurses, Congress will have to pass a law prohibiting folks from getting sick.

## News In Canyon 25 Years Ago

(Taken from the files of the  
Randall County News of  
February 26, 1920)

Herb R. Miller has left the News to go to California. Herb has been on the force for 7 years, learning the printing business here.

T. A. Dowlen and W. E. Bennett, Randall county Hereford breeders, were among the high winners at the Buyers and Sellers Show in Amarillo.

Ludwig Irlbeck of Happy paid \$3,000 for an 11-months gilt at a Poland China sale at Childress. This broke all previous records for hogs of this breed.

Rev. Ted P. Hollifield of Clovis has accepted a call from the local Presbyterian Church to become its pastor.

The News announced that subscription rates would be increased to \$2.00 per year because of the high cost of printing production.

Mr. and Mrs. Nick Hollenstein celebrated their 7th wedding anniversary. Nick went back to Switzerland after his bride.

## Pierle Introduces Guest Speaker at Amarillo Meeting

Dr. C. A. Pierle was chosen to introduce Mrs. Geraldine Townsend Fitch when she appeared at Amarillo last Tuesday night as a feature of the Institute of International Understanding which is sponsored by Rotary Clubs. This was the first of a series of four such programs that will be presented.

Mrs. Fitch, a prominent writer and lecturer on things Chinese, has spent twenty years in China and is acquainted with many people and places well known to Dr. Pierle. The subject of her Tuesday night address was "The New China in the New Pacific."

## Pleasantview

Mr. and Mrs. M. B. Brown spent Sunday evening in the J. W. Spencer home.

Mr. and Mrs. Albert Meyer and family called in the Bradley Burrus home Thursday night.

Mrs. Jim Bible was brought home from an Amarillo hospital Friday. She is reported to be improving nicely.

Paul Golden from Denver, Colo., who is in the Air Corps, and his wife and son are spending a 20-day furlough with his sister, Mrs. Joe Currie and family.

Miss Rowena Jones spent Tuesday night with Miss Helen Spencer.

## Too Late For Last Week

Mr. and Mrs. Albert Meyer and family called in the J. W. Spencer home Friday night.

The Pleasantview Home Demonstration Club met with Mrs. Earl Burtz, Thursday evening.

Mrs. Henry Meyer left Friday morning for Carlsbad, N. M., where she will spend several weeks visiting her daughter.

Mr. and Mrs. Jim Richmond of Borger spent Sunday evening in the J. W. Spencer home.

Mrs. Louis Browning and Mary called in the Albert Meyer home Saturday morning.

## Misses Walker and Graham Will Speak at Meetings

Miss Darthula Walker, Head of the Geography Department, and Miss Edna Graham of the Mathematics Department were guest speakers at a meeting of the Pampa American Association of University Women on Tuesday night, February 20. Miss Walker discussed and showed pictures on the Philippine Islands and Miss Graham spoke on India.

On February 23, Miss Walker was the speaker at a meeting of the Swisher County Farm Bureau at Tulia.

After a person has become a naturalized citizen of the United States he can not be deported, even if he commits a crime.

Bar examinations are so difficult that only 465 out of every 1,000 law students pass the exams.

You can bet a dollar to a doughnut today without giving such big odds.

Radios have taught mankind the blessings of silence.

My grandpa never cared much for politicians. Of one, he said, "I'd like to buy that fellow for what he's worth and sell him for what he thinks he's worth."

And of one perennial office-holder, grandpa remarked, "He can change sides like a chameleon can change color—in fact, he's better'n a chameleon because I heard of one of those little lizards bein' placed on a piece o' changeable silk and he strained himself to death."

Grandpa summed up a joint debate between two candidates: "Brown's Speech was like a Mother Hubbard—it covered everything and touched nothing; Jones' speech was like a flapper's dress—it touched everything and covered nothing."

Would it be correct to say that a photograph of John L. Lewis is a "striking" likeness?

"The grandeur that was Rome," Poe wrote—and the city that ruled the world 2,000 years ago possessed such glories as the temple of Apollo, built of solid white marble; the Coliseum, which seated 87,000, and the Circus Maximus, (the scene of chariot races), which could seat 385,000 persons. There was at least one building, a palace, which was 10 stories in height and the dome of the Pantheon was 200 feet high.

The walls of the city had a circumference of 21 miles and the aqueducts had arches that were 100 feet high, water being piped into the houses. The Romans were masters of the art of war and, in attacking a walled city, they made use of towers, some of which had a height of 135 feet.

When the Coliseum was dedicated, the celebration required 100 days and 5,000 wild animals were slaughtered. What a story for a sports writer!

Can you remember:  
Tree-sitters?

When you hear a man talking about his "culture," you can be pretty sure he doesn't have it.

President J. A. Hill and Dr. T. M. Moore spent Wednesday evening at Friona where the former was guest speaker at a meeting of the Parent Teacher Association and other citizens of the community. President Hill reported that there was an unusually large attendance at the meeting.

## ZITA H. D. MEMBERS AUCTIONED FOR PARTNERS

On Friday night, Feb. 16, the Zita H. D. Club had a box supper and "42" party at the McAfee country home.

Each club woman had brought a "beautifully" decorated hat closely concealed in a paper sack. These were sold sight unseen for 25 cents each. Each woman wore her purchased hat for the rest of the evening.

After the boxes were bought and supper eaten, "42" was played.

The auctioneer, J. P. Upchurch, sold the ladies (with the hats) for partners for the games of "42." Altogether \$53.10 was raised.

A very entertaining evening was had by Mr. and Mrs. McAfee, Mr. and Mrs. Ralph Ruthardt and children, Mr. and Mrs. Baile McCormick, Nancy and Jack, Mr. and Mrs. Forrest Gruner, Mr. and Mrs. J. P. Upchurch, Mr. and Mrs. D. C. McCormick, Mr. and Mrs. Wayland Angel, Mr. and Mrs. H. D. Rose and children, and Mr. and Mrs. E. A. Michael and Sandra.

## DOWLEN AND STERNENBERG LEAD WOMAN'S BOOK CLUB

On February 14 when the Canyon Book Club met in the Thompson's Club Room, Mrs. A. W. Sternenberg gave an interesting paper on "What Peace Does the Pope Support."

Mrs. C. M. Dowlen followed Mrs. Sternenberg on the program with a discussion on "Should We Draft Labor." What would be a just draft, health in regard to labor draft and the conscientious objectors were discussed in an enlightening manner.

Questions on these subjects from "Time" magazine programs were discussed by members.

The following members were present: Mrs. C. M. Dowlen, Mrs. Ray Campbell, Mrs. Lee Johnson, Mrs. I. W. SoRelle, Mrs. Alfred Bellah, Mrs. Fred Standley, Mrs. S. H. Condon, Mrs. A. W. Sternenberg, Mrs. Caldwell, Mrs. Roy Johnson, Mrs. Clyde McElroy, Mrs. D. A. Nicholas, Mrs. T. V. Reeves, Mrs. C. R. Burrow, Mrs. S. L. Ingham.

## W. T. HOMEMAKING GIRLS HAVE BUSY SEMESTER

Looking back to the accomplishments of the first semester of the present school year, West Texas State High girls enrolled in Homemaking can point with pride to the twelve bedrooms improved, eight pieces of play material made, 135 cans and jars of food processed, 141 meals prepared and 70 garments made.

Some of the outstanding activities carried on as home projects included the construction of a three-piece gabardine play suit by Rosalie Campbell, daughter of Mr. and Mrs. L. T. Campbell. A two-piece tailored street suit of gabardine with a harmonizing blouse was made by Doris Smith, daughter of Mr. and Mrs. L. A. Smith of Dawn, Carrie Marie Dowdy also constructed a tailored suit. Taking considerable responsibility for the planning and preparation of family meals were Vyonne Cheyne, Barbara White, and Mable Spiser.

Believing that they might cooperate more fully with the war effort by utilizing hand-me-downs, one group of girls collected old clothing and renovated it for children. Another group utilized feed and flour sacks in making laundry bags, shoe bags, and closet accessories. A third group did their bit for the school by repainting furniture for the girls' lounge.

## MISCELLANEOUS SHOWER TO HONOR MRS. FRANCIS DAVIS

Mrs. Earl Davis gave a bridal shower at her home Thursday honoring Mrs. Francis Davis, who before her recent marriage was Miss Una Bauer. A guessing contest and a few lively games were enjoyed by those present. Then came the Treasure Hunt, when the bride found a large box of gifts by following clues that were hidden about the room. After the bride had opened the presents, refreshments of cake, cherry pudding, mints and punch were served by the hostess.

Those attending were: Mrs. F. C. Culp, Mrs. G. A. Dietz, Mrs. Walter Graham, Mrs. Laury, Mrs. Earl Burtz, Mrs. Minnie Fewell, Mrs. Mary Burtz, Mrs. W. F. Bonds, Mrs. E. C. Burks, Mrs. Ben Fortner, Mrs. John Hammond, Mrs. Payne, Mrs. Ben Buecker, Mrs. Louis Henders, Mrs. J. H. Barrett, Mrs. Susan Powell, Mrs. M. L. Davis, Laura Lee Davis, Earlene Davis, Mrs. I. L. Bauer, Mrs. Francis Davis the honoree, and the hostess.

## A bargain hunter's reasons for buying War Bonds

to help him now

to help us later

I THINK Bob's the bravest man in the world.

But I know that he, and the millions like him, can't win this war without money. My money—War Bond money. When I buy Bonds, I feel I'm helping to bring him back sooner.

But there's another reason.

When Bob comes back, we'll need

money too, a lot of it. Money to tide us over till Bob gets back into the swing of being a civilian. Money to build that house we both dream about. And money to raise a family to fill it.

So every bond I buy will give me double value. It will do two jobs—one now and one later. And as an old bargain hunter, I just can't resist a deal like that!

## Junior Committeemen Plan Second CHS Youth Center Entertainment

Junior class members will sponsor the Canyon High School youth center tonight. Students have not participated in this night entertainment in more than a month because of increased basketball activity.

Decorations, in charge of Cheri Kilchrist, will feature purple and white, the school colors. Games—checkers, cards, dominoes, and ping-pong—will be directed by Wilma Schuette. Other committee chairmen are: food, Bonnie Drake; music, Louise Dickinson and invitations, Imelda Lange. Sponsor of the class is Mrs. Kate Donnell Brewster.

Pop, hamburgers, and doughnuts are foods which students may buy.

## Meeting Features Accordion Music

After the discussion of business in the Spanish II Club meeting yesterday morning, the president, Gracie Boyd, turned the program over to Zonelle Gregg, who acted as program chairman.

Ellen Sanders gave the accordion selection, "Dark Eyes," after which the group sang several songs in Spanish and played Spanish games.

### OMNIPRESENT?

Have you ever seen anyone who could be in three places at one time?

Well, if there's anyone in this school who comes close to doing it, it's our one and only Milton Sanders, whom you probably don't appreciate half as much as you should. Being our principal and coach, and shop, mechanical drawing, and boys' physical education teacher, besides various other activities, all at once is bound to have been keeping him rather busy, don't you imagine? And yet good old Coach, who, by the way, graduated from CHS in 1926, is always in the best of humors.

—Just wanted to call your attention to it!

### A-AMEN!

What's all this stuff about school spirit?

Kinda indefinite, isn't it? So let's get together here and decide what it's all about.

My idea is that school spirit includes the fact that you'd be willing to give your right arm for your team to win that tournament, or even a game with a long-standing rival. But that's not all—

Why be ashamed if your eyes

You should have seen J. Spencer's face when some of the senior boys discovered an empty ring case in one of his chests of drawers. What kind of ring was it, Ellen S.?

Next time you see Frances Harp, ask her who it was that Mrs. Bartlett was going to send to the primary department because they were giggling all the time.

We wonder why Rose Hugg pulls her shoes off every day in English IV. Could it be to get the attention of all the boys around her?

It seems as if all the girls went wild for Billy Abbott after the final game Saturday night. Seems like at least two seniors were wishing they were sophomores. What about it, Nancy Wilson and Dorothy Scott?

How in the world did Betty Brown tear her levis when she went to the canyons the other day?

Ex-student Wilborn Brown received a HEARTY welcome from Bonnie Drake—to say the least.

Too bad that Charles Wright had to resort to W. T. High after he was deserted by his Canyon High girl, Frances Standley!

Those freshman girls, and George Milford, sure do miss Ruth Drake since she moved away.

Whose letter is James Meroney carrying in his bill-fold? Could it be the one from Joan Morton to Martha Jean Avent about what happened after the Drakes' farewell party?

blur up a little when you hear or sing that beautiful old school song? That's just the loyalty showing up in you, especially if it's your last year in CHS.

If you've "got that spirit," I'll bet, too, that you'll have a true interest in the reputation of your school and its students, and that means that you'll do something about it.

True school loyalty lasts and lasts. In fact, it never dies. It's one of the many things that make life interesting.

So why not get some of it, now? —By Ellen Root.

## Officials Choose CHS Nominee

### Geraldine Small Accepts Area Secretary Duties

Geraldine Small, a Canyon High School sophomore, will serve as Area I recording secretary of the Future Homemakers of Texas for 1945-46 as elected by the executive council and supervisors.

Future homemakers hold area meetings twice a year, in the spring and the fall, and Geraldine will go into office at the meetings this fall.

Geraldine is vice-president of the sophomore class, treasurer of the Spanish Club, and a class favorite this year. She served as a member of the Student Faculty Congress in her freshman year, was a Pearl Harbor Day Sweetheart nominee, and also vice-president of the class in the eighth grade.

At the area meeting, held last Saturday at Plainview, the council members set aside funds for expenses for the area president and state nominee to attend the state meetings, voted to take part in discussion concerning the national organization at the Russellville, Arkansas, meeting this summer and decided against having an area summer camp at Ceta Glen.

## Students Present Spanish Program

As their initial program of the spring semester, the whole sixth grade, under the direction of Mrs. John Davis and Mrs. W. E. Miller, presented a Spanish fiesta for their parents and friends in the grade school gymnasium last Wednesday.

Card tables were arranged to give the effect of an inn, Spanish songs, an Indian dance, and a bull fight made up the floor show. Participants in the bull fight, under the headings of matadores, toreadores, picadores, banderilleros, judge, and bullfight were appropriately dressed in Spanish costumes.

Brightly colored banners and flags were scattered about the gymnasium. All the wares in the market place originally came from Old Mexico.

Refreshments of tortillas, brown beans, hot tamales, and coffee or cocoa were served. Roommothers and mothers who assisted in the preparation and serving of the food were Mrs. R. N. Byrd, Mrs. Tom Lair, Mrs. Tom Gooch, Mrs. J. B. Brandt, Mrs. Jessie Thomas, Mrs. J. M. Bridges, and Mrs. Jim Carter.

### THE STATE OF TEXAS

To: The unknown heirs of J. J. Mosher, deceased; their unknown heirs, and the unknown legal representatives of all of them; the unknown heirs of Harriet Mosher, deceased; their unknown heirs, and the unknown legal representatives of all of them; all persons claiming any title or interest in the land under deed heretofore given to J. E. Herbert, trustee, of Fulton County, Illinois, grantee, dated February 18, 1926, recorded in volume 87, pages 583-584 of the deed records of Randall County, Texas, defendants, Greeting:

You are hereby commanded to appear before the Honorable 47th District Court of Randall County, Texas, at the Court House thereof, in Canyon, Texas, at or before ten o'clock A. M. on the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 19th day of March, A. D. 1945, then and there to answer Plaintiffs' Petition filed in said Court on the first day of February, A. D. 1945, in this cause, numbered 1847 on the docket of said court and styled: Beaumont Stinnett and Peggy M. Stinnett, Plaintiffs vs. the unknown heirs of J. J. Mosher, deceased; their unknown heirs, and the unknown legal representatives of all of them; the unknown heirs of Harriet Mosher, deceased; their unknown heirs, and the unknown legal representatives of all of them; also all persons claiming any title or interest in the land under deed heretofore given to J. E. Herbert, trustee, of Fulton County, Illinois, grantee, dated February 18, 1926, recorded in Volume 87, pages 583-584 of the Deed Records of Randall County, Texas, defendants, said plaintiffs and defendants being all of the parties to said suit.

A brief statement of the nature of this suit is as follows, to-wit:

Plaintiffs sue for title and possession to the following described real estate situated in Randall County, Texas, to-wit:

All of the Northeast Quarter of Section Number Sixty-three (63) all in Block K-14, T. T. R. R. Co. Original Grantee, Randall County, Texas.

The suit is in regular statutory form of Trespass To Try Title, and in addition thereto, plaintiffs claim title to said land under the three, five, ten, and twenty-five years Statutes of Limitation, as is more fully shown by Plaintiffs' Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law and make due return as the law directs.

ISSUED and given under my hand and the Seal of said Court, at office in Canyon, Texas, this first day of February, A. D. 1945.

(Seal) A. B. HOLT, Clerk of the District Court of Randall County, Texas.

## Grade Notes

Last Wednesday afternoon Mrs. Robert Orton's first grade had its Valentine party. After the children received Valentines from individual boxes in their post office, refreshments of heart-shaped cookies and punch were served.

Mrs. W. W. Kirkpatrick visited this class all day Wednesday.

Nancy Brummett of Mrs. Orton's class moved to Wayside last week.

In Mrs. T. W. Collins' first grade last Wednesday, Roland Myers was postman in the Valentine post office. After postman Charles Brasher handed out the Valentines and treats, the roommothers—Mrs. Tom Brasher, Mrs. J. D. Barker, Mrs. Robert Jones, and Mrs. J. B. Hickman—served cold drinks.

Phyllis Littleton of Mrs. John Davis' sixth grade and her sister, Nancy Joyce, of Mrs. H. P. Dougherty's third grade moved to Clarendon.

Pictures of the children and teachers in their home rooms were taken last Thursday by Patsy Brittain for the CHS annual, "Soaring Wings."

Refreshments of ice cream, cookies, and candy were served after the Valentine box in Mrs. Roscoe Davis' second grade last Wednesday.

Instead of buying Valentines, children in 5-J, taught by Mrs. Mitchell Jones, and 6-M, taught by Mrs. W. E. Miller, bought bonds and stamps last Wednesday. Total sales in 5-J were \$43.50 in ten cent war stamps, while 6-M purchased \$94.10 in both bonds and stamps.

Truman Laughery of Mrs. Andy Walsh's fifth grade underwent an appendectomy last week.

On Wednesday afternoon the roommothers—Mrs. S. S. Howell, Mrs. B. B. Slack, Mrs. Johnston, and Mrs. James Jennings—served cookies and punch to Mrs. Walsh's students at their Valentine party.

In celebration of Valentine's day, roommothers Mrs. William Dickerson, Mrs. R. N. Cook, Mrs. Fred Marshall, Mrs. Gene Root, and Mrs. Keller served doughnuts and cold drinks to Mrs. Hazel Atchley's fourth grade students after they received their Valentines from a Valentine post office. Mrs. Marshall brought an angel food and chocolate cake in celebration of her son, Jimmy's birthday.

## Raymon Discusses Reptiles' Traits

Yesterday morning at 10:00, Jack Raymon presented a lyceum number on reptiles of North America to the Canyon High School assembly.

Well known for its odd, interesting, and valuable facts on reptiles, this exhibit should be of special interest to high school science classes.

CHS students were fortunate to hear this man, who has presented his exhibits to thousands of audiences.

O. K. Gang! Let's give fifteen rals for those thirteen CHS boys and their manager who are lettering in basketball this year! With these boys, we came out second place in the finals this year. Not bad, eh?

Intramurals will begin next week, ranging from the seventh grade to the seniors. These games will be played during the lunch hour.

Our last game of the season will be played tomorrow night with the Price Memorial Cardinals. Let's all be there for this last game, giving our boys some real backing.

## Teamsters Earn '44-45 Letters

### CHS Eagle Squad Includes Two Three-Year Players

Milton Sanders, Canyon High School basketball coach, announced Monday that fourteen members of the squad have earned letters for 1944-45.

J. Spencer Winn and Don Standley have lettered three years, and Charles Taylor and Harley Hicks have lettered two years. One year lettermen are John Gill, Charles Wright, Earl Gene Peppard, Kenneth Vaughan, Billy Abbott, James Meroney, Bobby Black, Harold Erwin, Thomas Harold Thompson, and manager, Charles Ray Kelso.

Out of twenty-six games played this season, the Eagles have lost only six. They played in three tournaments and won second place in two out of three. Two outstanding players, Charles Taylor and Don Standley, were selected at Claude as members of the all tournament team.

## Teachers Prepare League Entrants

Preparation for the annual Inter-scholastic League Meet to be held in the latter part of March at West Texas State College have begun in Canyon High School.

Anyone who is interested in debating, declamation, extemporaneous speaking, spelling, typing, ready writing, volleyball, boys' and girls' tennis, and track, can participate in the contests. Students who wish to take part in the league should turn their names in at the office of the principal to receive further information.

Mississippi was admitted as a state in 1817, seceded in 1861 and was readmitted into the Union in 1870.

## Did You Know That—

Alvin Strem went to a technical school for boys only in Chicago before he moved to Texas, and is anxious to get back to Chicago?

Coach Milton Sanders is collecting senior pictures? So seniors should each bring one and give it to him.

We will have only three lettermen back to play basketball next year? They are Billy Abbott, Charles Wright, and James Meroney.

Senior class members have written to Wes Izzard, Amarillo news editor and commentator, asking him to speak at the commencement exercises?

Quill and Scroll candidates Rose Hugg and Vergie Haines will go through an informal initiation tomorrow to gain entrance into the international society?

J. Spencer Winn is dead set against girls wearing levis to school? He says he wouldn't be seen at a dog fight in 'em!

Mrs. Nora Gilmore's son, Earl, was promoted to the rank of Lieutenant (j. g.) in the Navy last week?

## Pepsters Launch New Pep Yells

Canyon High School students gathered in the auditorium last Thursday for a pep rally to promote a winning spirit for the district tournament held here Friday.

Bill Davis, Betty Brown, Bonnie Drake, Dick Milford, Louise Dickinson, and Nancy Wilson led several yells, including new ones, and the school song.

Coach Milton Sanders announced the order of the games and the opposing teams.

Andy Walsh, hospital apprentice second class, son of Mr. and Mrs. Andy Walsh, is now stationed at the United States Naval Hospital at Corpus Christi.

Lt. E. Burroughs, Jr., Lt. Roy Byrd, Lt. Bob Ziegler, and Sgt. J. T. Harp, all ex-students of Canyon High School, are with the Fifteenth Air Force in Italy. Lt. Hud Pritchard, formerly with this group, is now missing in action.

Wilborn E. Brown, S 2-c, arrived Monday from Davisville, Rhode Island, where he has been training for the Seabees. He was a member of the CHS sophomore class last year.

## Coaches Specify Tourney Team

### Canyon High School Holds District 1-A Tournament

In the concluding game of the district 1-A basketball tournament, 8:00 Saturday night, in the Canyon gymnasium, the Friona Chieftains nosed the Canyon Eagles out of the championship by a score of 35-20. Norwood and Stark of Friona each rolled up 11 points, and Winn of the Eagles scored seven.

### Taylor Is All-Tournament

After the final game the coaches voted on members of the all-tournament team, who received gold basketball charms. They were Taylor, Canyon; Stark, Friona; Reid, Friona; Keeney, Dumas; and Wright, Dalhart. Supt. J. B. Speer, district chairman, presented the Friona and Canyon teams with first and second place trophies, respectively.

Beginning at 10:00 Friday morning, the Eagles outscored the Tulla Hornets 40-29. High point man on the Canyon team was Harley Hicks with 13 points, while Bochart of Tulla scored 12.

### Friona and Dalhart Win

At 11:00 Friona defeated the Hereford Whitefaces 39-26, and the Dalhart Wolves beat the Dimmitt Bobcats 52-30 at 12:00.

Friday afternoon the Eagles played Friona and won 29-28. Reid on the Friona team scored 16 points for high point man of the game.

Hereford's quintet defeated Dimmitt 42-19 for the fourth game of the tournament, with a margin of 23 points. Dumas drew a bye and played their first game against the Dalhart Wolves at 5:00 and won 31-30.

### Hereford Ousted

Hereford lost to Tulla by a score of 34-32 in the first Friday night game at 8:00. With a score of 45-32 Friona defeated Dalhart at 9:00. High point man was Reynolds, Dalhart, who completed seven baskets and three free shots.

Tulla and Friona played the first game Saturday morning with Friona winning 44-33.

In the first semi-final game Saturday morning the Eagles overpowered the Dumas Demons with a one point margin of 31-30. Eagle Charles Taylor put in six field goals and four free shots.

### Semi-finals Saturday

Saturday afternoon the Friona Chieftains tilted the Dumas team 38-25, to progress to the finals that night. Reid of Friona was high-point man of this game with 19 points.

Referees for the tourney were W. W. Nicklaus and Jess Cearley. Opening the contest Friday morning, James Meroney and Wilbert Long played "The Colors" and the spectators sang "The Star Spangled Banner."

During the meet the CHS press club had charge of ticket sales.

## RIBOFLAVIN

Whether you call it riboflavin, vitamin B2 or vitamin G (and they all refer to the same thing), it's important that you know about riboflavin for it's one of the ring-leaders in the chemical processes of all the body cells. It promotes growth and bodily vigor, aids in keeping digestive and nervous systems up to par, and increases resistance to certain infections. Note also that riboflavin helps keep hair and skin in good condition. A diet high in riboflavin seems to result in better development, greater vitality, more freedom from disease at all ages, a longer "prime of life" and even longer life.

Riboflavin is found in so many foods that if you have a good diet you'll get enough. A quart of milk each day and three-fourths of a quart for adults will go a long way toward filling the riboflavin quota. Other valuable sources are milk products, egg yolk, liver, heart, kidney, lean meats, green leaves, and fresh or dried beans and peas. Whole grain cereals are good sources. Dried brewer's yeast is the richest source. Muscle meats all contain riboflavin, but dark meat is richer than white meat.

Lack of riboflavin shows up in loss of hair; dull hair; skin disorders; cracking of skin at angles of the mouth, nose and ears; granulation at the edges of the eyelids; loss of weight, nervousness, depression

or general weakness. Riboflavin isn't stored in the body in very large amounts so some should be included in each day's meal.

This vitamin isn't easily destroyed by cooking or contact with air. Its worst enemy is light. Almost half of the riboflavin can be lost from milk in clear glass bottles if they stand in the sunlight for two hours, even on fairly cold days. If your milk is delivered to you, bring it in immediately and put it in the refrigerator, away from light. If this isn't possible, a covered box for the milkman to put the bottles in may be your answer.

**WARNING!** The traffic toll in winter regularly climbs to a peak fifty per cent higher than the summer accident rate.

And this winter, because tires and cars are older, both cars and lives will be wrecked at a rate far faster than ever, unless YOU do something about it!

So take every possible precaution . . . Drive slowly and alertly, because it requires from four to eleven times the usual braking distance to stop a car, without chains, on wet snow or ice . . . Don't close in on the car ahead . . . Slow down well before reaching crossings . . . And watch out for pedestrians picking their way in hazy twilight or darkness.

At any other time in our nation's history, there would have been something sacrilegious in discussing the saving of cars in the same breath with the saving of human life. To-

day, however, the country's war effort and well-being depend on an ever-dwindling supply of essential transportation. Lives are important, and so are irreplaceable automobiles.

Do your humane and patriotic part to save lives. Let your Phillips 66 Service Man do his patriotic part to help you save your car.

He has many engineered Tire-Saving and Car-Saving services. Some are free; some carry a small charge for materials and labor. All are a real aid in making your car and your tires last longer and go further.

Drive in at the Orange and Black 66 Shield, the sign of famous Phillips 66 Gasoline and Phillips 66 Motor Oil. But for safety's sake, drive s-l-o-w-l-y!

### Ex Will Give Commencement Address in May

One of West Texas State's very able ex-students will be Commencement speaker for the Class of 1945. He is Ira J. Allen, a member of the law firm, Allen, Smith, and Neal of Houston. Mr. Allen was a student at W. T. about the time of World War I. His people then lived near Plainview. Later he attended the University of Texas from which he received his law degree.

Because he will have an important case in court at the time of Commencement, it will be necessary for him to make the trip from Houston by plane.

Miss Margaret Barrett, Head of the Home Economics Department, returned Tuesday from Kansas where she had been called because of an accident to her father.

## QUESTION:

Are you tired out after work?

## ANSWER:

If you get tired and nervous more easily now than usual it is more than likely the fault of your shoes. Have them renewed at Worth's and see how fresh you feel at the end of a hard day's work.

## Anniversary of Rotary Discussed at Tuesday Lunch

Dr. J. A. Hill, first president of the Canyon Rotary Club, spoke at the weekly luncheon Tuesday. He reviewed the history of the local club since it was organized Nov. 31, 1928.

The 40th anniversary of Rotary will be observed today. Paul Harris started the club in Chicago Feb. 23, 1905. 6,038 charters have been issued. 484 clubs were terminated by the war. There are 5,301 clubs today, with 237,000 members in practically every nation outside the war zone.

In the 127th district there are 59 clubs with 2,790 members, a gain of 181 since July 1.

The Canyon Club is No. 3,006. Dr. Hill pointed to the 17 years of service which had been rendered the community by the club. Rotary does not usually promote local enterprises, but trains members who will take the leadership in all local affairs. The speaker read an impressive list of functions which local Rotary members were performing in local, district and state organizations of the churches, schools, civic, political organization, war services, and other organizations.

Dr. Hill then read his program for Canyon which is printed in this issue. He hopes that every citizen will consider this program and get behind the program of community improvement.

For the local Club, the speaker outlined a program for improvement as follows:

1. Get the student loan fund in good condition.
2. Improve the attendance of the club, which is one of the lowest in the district.
3. Publish and distribute to Rotary clubs the splendid address of District Governor Harris M. Cook.
4. Increase the membership of the club.
5. Gather a Latin-American cultural exhibit to be placed in the Museum.

Visitors were: Dr. Ed D. Sorenson of Elkhorn, Wis.; Jack Douglas and Glen Truax of Canyon; Geo. Waddill, Joe S. Morris, Tom Cartwright, Densel Dean, Frank Barnes, Allen Early, Roy Boger, Arch Hunsley, all of Amarillo.
